

January 1, 2018

The Mt. Zion United Methodist Women's 33rd Craft Show is scheduled for November 9 and 10, 2018. All proceeds from the craft show benefit local and church missions with an emphasis on women and children. Some charities we support are: Center for Children and Youth, North Georgia Foster Care Foundation, Mountain Top Home for Boys, and Ten Women of Hope, to name a few.

We thank you for your past support and are again asking for your help. We will gladly accept any donation of products and/or gift cards for products or services from your business for the silent auction at the craft show. We will, in turn, recognize your business as a contributor at our craft show.

Your contributions are completely tax deductible since Mt. Zion United Methodist Church is recognized as a 501(c)3 non-profit organization under the Internal Revenue Service Code.

Sincerely,

Clair Hetherington, Coordinator  
Mt. Zion Craft Show
